Helpful Tips

The Lifestyle Lift Orange County center is a five minute drive from John Wayne Airport in Lakeside Tower. Located near South Coast Plaza, just off of CA-55 and MacArthur Blvd, Lakeside Tower is a half-circle shape building with a lake and fountains behind it. There is a sign reading "Sterns" at the top of the building.

Parking

When facing the front of Lakeside Tower, with the lake ahead, there is a detached parking garage to the right of the building. For parking validation, please present the parking stub to a Patient Services Coordinator upon arrival. The garage is always free on Saturdays after 2pm: press the large green button at the exit.

Saturday Appointments

Please be aware that the building doors automatically lock at 3pm, and the elevators lock-down at 2pm on Saturdays. Security personnel are available to assist with entry.
